Act, 1966

No. TPS-2202/1260/C.R.2(B)/2004/UD-9

Whereas, the Ballarpur Municipal Council (hereinafter referred to as **the said Municipal Council**) by its Resolution No.31, dated 15.1.1993, made a declaration under Section 38 read with sub-section (1) of Section 23 of the Maharashtra Regional and Town Planning Act, 1966 (Maharashtra Act No. XXXVII of 1966) (hereinafter referred to as **the said Act**) of its intention to revise the sanctioned Development Plan for the entire area within its jurisdiction and the notice of the said declaration was published in the Maharashtra Government Gazette Part-I, Nagpur Division supplement, dated 10th June,1993 on page No. 77;

And whereas, the said Municipal Council, after carrying out survey of the entire area within its jurisdiction, prepared and published Draft Revised Development Plan of Ballarpur (R+AA) (hereinafter referred to as **the said Development Plan**) on 29.4.1999 and published a notice to that effect in the Maharashtra Government Gazette, Part I-A, Nagpur Division supplement dated 30.9.1999 on page No.117,118 in accordance with the provisions of sub-section (1) of Section 26 of the said Act;

And whereas, the said Municipal Council, after considering the suggestions and objections by it from the public, modified the said Development Plan in accordance with the provisions of Section 28 of the said Act and submitted the said Development Plan to the State Government under sub-section (1) of Section 30 of the said Act on 1st October,2001;

And whereas, in accordance with the provisions of sub-section (1) of Section 31 of the said Act, the said Development Plan is required to be sanctioned not later than one year from the date of receipt of such plan from the Planning Authority or within such further period as the Government may decide;

And whereas, in exercise of the powers conferred under sub-section (1) of Section 31 of the said Act, the State Government of Maharashtra by its Notification, Urban Development Department, No.TPS-2202/1260/C.R.2(A)/2004/UD-9, dated 16.8.2005 has extended the period of sanctioning the said Development Plan for further period upto and inclusive of 16.8.2005;

And whereas, in accordance with provisions of sub-section (1) of Section 31 of the said Act, the State Government after examining the proposals of the said Development Plan and after consulting the Director of Town Planning, Maharashtra State, Pune, decided to sanction the said Development Plan in part with

modifications and excluding the part shown on the said Development Plan (hereinafter referred to as the said excluded part);

Now, therefore, in exercise of the powers conferred by sub-section (1) of section 31 of the said Act and of all other powers enabling it in that behalf the Government of Maharashtra hereby;

(a) sanctions part of the said Development Plan of Ballarpur as submitted under Section 30 subject to the modifications mentioned in the schedule enclosed herewith and shown in Orange verge on the said Development Plan and excluding the said excluded part shown bounded also in Orange verge and numbered as EP-1, EP-2 etc.

(b) fixes the **1.10.2005** to be the date on which final Development Plan of Ballarpur (excluding the said excluded part of the Development Plan) shall come into force.

Note : i) The aforesaid final Development Plan of Ballarpur(excluding the said excluded part) as sanctioned by the State Government with modifications shown in Orange verge shall be kept open for inspection by public during working hours on all working days for a period of one month in the office of the Ballarpur Municipal Council.

ii) Areas of reserved sites mentioned in the report of the Development Plan are approximate and subject to actual measurement on site as per boundaries shown on the final Development Plan.

iii) Draftsman's errors which are required to be corrected as per actual situation on site/or as per survey records, sanctioned layout etc. shall be corrected by the Chief Officer, Municipal Council, Ballarpur after due verifications and with prior approval of Director of Town Planning, Maharashtra State, Pune.

iv) The reservation/allocations which have not appeared in Schedule of Modifications and Schedule of proposed Modifications are hereby sanctioned for the respective purposes as designated in the Development Plan.

v) Those open spaces from sanctioned layouts that are earmarked as existing open spaces (in Green colour) on Development Plan shall be treated as Residential Zone.

vi) The private or rental premises designated in Public-Semipublic Zone will continue to be in this zone as long as Public-Semipublic user exists, otherwise those lands shall be considered to be included in the adjoining major use zone.

Annexure-1 Explanatory Note

GUIDING/WARNING FLOOR MATERIAL :

The floor material to guide or warn the visually impaired person with a change of colour or material with conspicuously different texture and easily distinguishable from the rest of the surrounding floor materials is called guiding or warning floor material. The material with different texture gives audible signals with sensory warning when a person moves on this surface with walking stick. The guiding/warning floor material is meant to give the directional effect or warn a person at critical places. This floor material shall be provided in the following areas :-

- a) The access path to the building and the parking area.
- b) The land lobby towards the information board, reception, lifts, stair cases & toilets.
- c) Immediately at the beginning/end of walkway where there is a vehicular traffic.
- d) At the location abruptly changing in level or beginning/end of ramp.
- e) Immediately in front of an entrance/exit and the landing.

PROPER SIGNAGE:

Appropriate identification of specific facilities within a building for the handicapped persons should be done with proper signals. Visually impaired persons makes use of other senses such as hearing and touch to compensate for the lack of vision whereas visual signals benefit those with hearing disabilities.

Signs should be designed and located so that they are easily legible by using suitable letter size (not less than 20 mm high). For visually impaired person, information board in fritter should be installed on the walk at a suitable height and it should be possible to approach them closely. To ensure safe walking there should not be any producing signs which creates obstructions in walking. Public address system may also be provided in busy public areas.

The symbols/information should be in contrasting colour and properly illuminated because people with limited vision may be able to differentiate amongst primary colours. International symbol marked for wheel chair as shown below the installed at the lift, toilet, stair cases, parking areas etc. that have been provided for the handicapped.
